## Platinum Sponsor- \$5,000

Tuesday afternoon, I walked into the Life House Youth Center at 3:00 pm, and I could hear a pin drop; it was so quiet. As I made my way into the kitchen to bring in bags of food for dinner, I saw the tables filled with kids who had books in hand, notebooks, and chrome books opened for study/tutor hour. At dinner time, I watched as the kids ate, talked, and laughed. After dinner, my heart smiled as I witnessed our volunteers and kids play Polish Ping Pong and laugh hysterically. I am writing to tell you how amazing it is to see the kids learning and laughing and how grateful we are for your past participation in our events and your donations that have made this all possible. Your giving and supporting our events have helped us so much, but our need is still great.

Each year we spend countless hours tutoring kids, providing 1000's of healthy meals, teaching life skills, providing mentorship opportunities, and most importantly, giving them a safe place to be after school. Your ongoing participation and support keep our doors open for another year.

We are transforming lives by investing in our youth so they can positively impact the future - but none of this would be possible without you. I'd like to personally thank you for your continued support.

"We cannot always build the future for our youth, but we can build our youth for the future." - Franklin D. Roosevelt

Some would like to forget their past, some embrace their past, while others live in the past. At Life House Youth Center, our motto is "Always forward, never backward." We believe our past doesn't define our future. Through our programs and classes, we help nurture our youth and give them the skill sets they need to impact their tomorrow.
